Subject: **Celotex Asphalt Shingle Warranties**

Dear Sir:

This is to advise that Celotex Corporation has reviewed the specifications and application instructions for the Gutter Helmet Gutter Protection System in relation to the Celotex Limited Warranties for our asphalt shingle products. Based on this review, Celotex Corporation has determined that the Gutter Helmet products, when installed per the manufacturer's application instructions, do not void the Celotex Limited Warranties for the performance of our asphalt shingles.

If you require additional information or clarification, please contact the Technical Services Department.

Sincerely,

Douglas C. Gehring, P. E.  
Assistant Vice President  
Director, Technical Services  
and Regulatory Affairs
